DIRECTIONS TO OUR OFFICE

Once you enter the hospital complex, follow signs for Garage B.

PARK IN PARKING GARAGE B

Take the parking garage B elevator to level G (ground level). Walk up the ramp and enter the building. Go past the Pharmacy (on the right) and Lab (on the left). Continue to walk through the glass-windowed hallway. You will come to a split (escalators straight ahead, Java City café to your left). Turn left around Java City and follow the hallway to the right (East Building Lobby).

Take the **East Elevators** to the 3rd floor. When you exit the elevators, turn left. Our office is the first office on your left. **Suite 353 East**

If you reach the glass-windowed walkway, you went too far.
